

I'M ALWAYS CHASIN' RAINBOWS.

Music – Harry Carroll. Lyrics - Joseph McCarthy

Verse.

F
At the end of the rainbow there's happiness,
Edim
And to find it I've often tried,
Dm Dm7
But my life is a race, just a wild goose chase
F7
And my dreams have all been denied,
Bb7
Why have I always been a failure,
F D7
What can the reason be,
G7
I wonder if the world's to blame
C7 Cdim C7 (C7 – Gm – Edim)
I wonder if it could be me.

Chorus

F Bbm F F(2013)
I'm always chasin' rain - bows,
Edim F Bbm6 F C7
watch - ing clouds drifting by,
D7 Cm6 D7 Am7 D7 Gm D7 Gm
My schemes are just like all my dreams
G7 C7 (Cdim - C7)
Ending in the sky.
F7
Some fellows look and find the sunshine,
Bb A Bb
I always look and find the rain,

Some fellows make a winning sometime,
G7 G7b5 C7 C7 Gm Edim
I never even make a gain – be - lieve me...

Waiting to find a little bluebird in vain.
