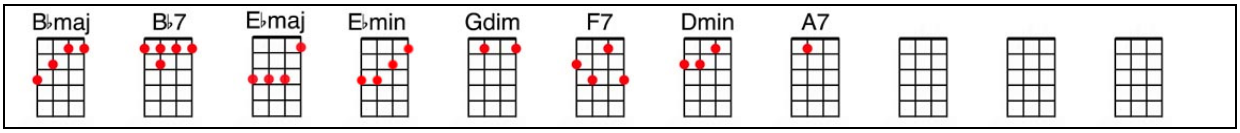
IF I HAD YOU

Shapiro/Campbell/Connelly



```
Bb                                Bb7
I could show the world how to smile
           Eb                   Ebm
I could be glad - all of the while
Bb                  Gdim           F7
I could change the grey skies to blue
         Bb        F7
If I had you
Bb                             Bb7
I could leave the old days behind
             Eb                  Ebm
Leave all my pals - I'd never mind
Bb               Gdim   F7
I could start my life anew
         Bb     Bb
If I had you

Dm                              A7
I could climb a snow-capped mountain
Dm                         A7
Sail the mighty ocean wide
Dm                            A7
I could cross the burning desert
Dm                   F7
If I had you by my side
Bb                                Bb7
I could be a king (dear) on crown
          Eb                  Ebm
Humble or poor - rich or renowned
Bb                Gdim       F7
There is nothing I couldn't do
         Bb
If I had you
