Like a feather in your way.

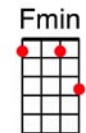

Eb **D7**
When somebody thinks you're wonderful,

Eb **C7**
Tells you with a smile so sweet,

F7 **Bb7**
What are little stones you step upon,

F7 **Bb7** **Eb** **Baug**
Just a meadow 'neath your feet.

Bb7 **Eb**
And how you meet the morning

Bb7 **Eb**
And gaily swing along

C7 **Fm**
At night you may be weary,

F7 **Bb7**
But your heart still sings a song.

Eb **D7**
When somebody thinks you're wonderful

Eb **C7**
Love is might close to you,

Just another thing more wonderful,

Making all her dreams come true.
